# How to Submit Online Team Entries through Direct Athletics

## How to Submit Online Entries

You will use the same account to enter all meets run through DirectAthletics.

If you already have a DirectAthletics account for your Track & Field team, and you know your username and password...	If you do NOT know your username and password...

The team you are controlling is listed on the blue navigation bar across the top of your account, for example:

**Sport:** Track & Field      **Team:** Ridgewood (Men)

This indicates that you are controlling the MEN'S team. To switch to your Women's team, you would select "Ridgewood (Women)".

### STEP 2--SETTING UP YOUR ONLINE ROSTER

Before entering an athlete into a meet, you must add all active athletes to your roster. If an athlete is already on your roster (from previous seasons or meets) you do not need to add him/her again. This is a one-time process—you will not need to set up your roster each time you enter a meet.

- 1) Upon logging in, click the TEAM tab. (New users will automatically be in the TEAM module)
